

Team Sponsor*

Becoming a Team Sponsor allows you to directly support a specific team by providing players with branded training tops and their coach with a jacket. This sponsorship not only ensures that the team is well-equipped but also promotes unity and team spirit, with your brand visibly associated with their success.

As a Team Sponsor, your logo will be displayed on all training tops, giving your business regular exposure during practices, games, and community events. It's a great way to connect with families, fans, and local businesses while showing your commitment to youth development and community sport.

By sponsoring a team, you're not just supporting a group of players—you're helping to build confidence, sportsmanship, and lifelong memories, all while strengthening your brand's ties within the community.
