

# Canteen Sponsor\*

As the Canteen Sponsor, your company will enjoy prominent visibility throughout our facility. Your name will be displayed across the top of our fridges and on bar mats, ensuring your brand is seen by everyone who visits the canteen.

You'll also have the opportunity to name a meal after your company, giving you a unique presence in our menu that will be enjoyed by players, families, and supporters. Plus, your support will help sustain our popular weekly Thursday dinner nights for our Senior teams, a cherished event that is continuing to grow.

By becoming the Canteen Sponsor, you're not only gaining valuable exposure but also contributing to the vibrant community spirit of our club. It's a fantastic way to align your brand with local engagement while supporting our ongoing activities.
